Sue Van Landingham

Ms. Sue Vanlandingham has proved, over the years, that she can be both a friend and a teacher to the students. She is considerate to the entire community at Country Day, and concerned with its well being. She gets involved with student life, and shows an overwhelming amount of spirit and enthusiasm for the school. Her devotion to the Senior Class has helped us out of many crises, especially the Jr.-Sr., and we are proud to dedicate this 1977 Postscript to so worthy a friend.

SPORTS

Talking it over
 just the two
 of us,

This was one of the best seasons the Varsity Field Hockey team has ever had. They won 5 out of the 6 games played. Christ Church was their only main threat, who beat them 3-0 in Greenville. Country Day came back at the tournament, held at Furman College, tying Christ Church 1-1! Every girl that played on the team, coached by Miss Clark, was dedicated and That's what it takes to win.

VARSITY VOLLEYBALL

The Varsity Volleyball team had a fantastic record of 13-1. Losing only one match to VD, the team was able to win both the league and the CISAA Tournament for the second year in a row. This year's team would like to congratulate Susan Keith for receiving the Most Valuable Player Award, and to Mrs. Pignetti for her superior coaching ability. Also, very special thanks go to Mrs. Cannon.

The Varsity Football of 1977 had another season. They won a few and lost a few. The tri-captains, Watts, Hamrick, Greg Giblin, and Craig Hill, led the team to the Independent School play-offs held at Christ School. Losing only four seniors, next year's football team should look very bright.

The Soccer team had a very enjoyable year under the coaching of Winn Robinson, despite a seemingly mediocre record of 10-9-1. The team, consisting of several colorful individuals, participated in the tournament in Petersburg, Va. as well as the city tournament. With increasing support, Soccer is bound to become a more prominent sport at Country Day.

The Varsity Cross Country team completed this year's season with a 4th place in the state Independent School meet. Members of this year's team were D. Hill, P. Graham, P. Trotter, D. Horne, G. Sullivan, N. Fortune, E. Green, J. Johnson, B. Hamilton, J. Wells, C. Claiborne, and F. Whitney. Highlights of this year's season included the development of a new form of the "push-up" by David Hill and the opening of a new cross country course around the school campus. The grand finale of the season was a banquet held at Slug's Choice, compliments of Mr. Claiborne.

The Varsity Basketball team started slowly this season, but due to the leadership of nine returning lettermen, along with the great support of 4 new members this was quickly reversed. As a result of great coaching by Coach Broadway, the Rebels won the CISAA regular season in high style and secured a bid to the state playoffs. The Rebels entered the tournament season with expectations of a 2nd Conference Tournament Championship, and with great aspirations for a State Championship.

BOYS 'B' BASKETBALL

Mr. Plyler is a new coach to Country Day this year, yet he has shaped a relatively young team (4 Sophomores & 9 Freshmen) into a winning team with a 6-4 record. It took three games before the team could put it together in a group effort to win against Providence Day. Throughout the season, the "B" team learned to develop Confidence, as well as form and ended the year with much more than they began.

The Varsity Girls Basketball team had an exciting season. Following a depressing loss to Latin, the Rebels came back and won 4 consecutive games, showing poise, finesse, and spirit. It looked as if the team was in a slump, but they pulled out of it stomping over Carmel, PD, and arch rival Catholic. The team, led by captain Jane Terry, ended their winning season 10-7.

This record, with 1 game left, puts the Jayvees currently in 2nd place. With comparatively short but very fast team, the Junior Varsity has done very well.

Found my coat and grabbed my hat
Made the bus in seconds flat
Found my way upstairs and had a smoke,
Somebody spoke and I went into a dream.

And though the holes were rather small
They had to count them all
Now they know how many holes it takes
To fill the Albert Hall.

MARY LYNN PHILLIPS

I believe I've passed the age of conscious-
ness and righteous rage,
I found that just surviving was a noble fight.
I once believed in causes too,
I had my pointless point of view,
And life went on no matter who was wrong or
right.
And there's always a place for the angry young
man,
With his fist in the air and his head in the
sand.
And he's never been able to learn from mis-
takes,
So he can't understand why his heart always
breaks.
But his honor is pure and his courage as well,
And he's fair and he's true and he's boring
as hell,
And he'll go to the grave as an angry old man.
Billy Joel

Though the years give way to uncertainty
And the fear of living strangles the will
There's a part of me
that speaks to the heart of me
Though sometimes it's hard to see
it's never far from me
Alive in eternity
That nothing can kill.
Jackson Browne

All that is gold does not glitter,
 Not all those who wander are lost;
 The old that is strong does not wither,

 Renewed shall be blade that was broken,
 The crownless again shall be King.
